Idiomatic Fun

Our Year 4 students in Room 9 have been having fun playing with words and pictures in the form of idioms. The Merriam-Webster Dictionary tells us that an idiom is:

“an expression that cannot be understood from the meanings of its separate words but that has a separate meaning of its own”.

They have certainly depicted some interesting idioms. They are displayed on the windows of their classroom, a great way to share their ideas and consolidate learning.

slow as a snail (you’re slow)
