Dear Parents and Community Members,

Welcome to the last newsletter for term 3; and what a term it has been! In conjunction with our usual school academic programs we have also managed to squeeze in a student leadership camp, PEAC testing, class excursions, the 'Jack Flash' incursion, Spellademic, Bookweek, Learning Journeys, swimming lessons and, as a grand finale, an absolutely fantastic Asian themed assembly.

Jack Flash and the Jumping Beanstalk

For those of you lucky enough to be able to attend the Asian assembly, I think you will agree that it was a wonderful performance that not only showcased our Indonesian language program and how many really talented students we have at EMPS, but also reinforced to me how fortunate we are to have such an experienced and dedicated language teacher in Mrs Knowles. I would also like to thank Ibu Desi for all her hard work and enthusiasm in making the Asian assembly so enjoyable for both the audience and the performers.

Room 10 performed "The Dragon Play" for the Asian Assembly

Other things that have occurred over this term have been the further enhancement of our wonderful school grounds by the completion of the bike shed roof, the refurbishment of the basketball courts with new lines and nets, the final touches to our nature play area, and the replacement of all the garden edging. Special thanks go to our hardworking and enthusiastic gardener, Mr Nash, and to our equally dedicated P&C who financed much of this work.

Finally I would like to thank all of our students and staff for their hard work in making this yet another successful term. There is no School Development Day in term 4 so both students and staff start again on Monday Oct 12th, except Pre-Kindy, who begin on Oct 19th.

I wish you all a safe, enjoyable and well deserved holiday.
