Dear Parents and Community,

National Success
Congratulations to the following students for their participation and success in the National Australian Indonesian Language Awards (NAILA) for 2016.

Riley Hughes (2nd Place), Taiya Barnsby, Brendan Walsh, Alexandra Winslow (Top 6), Ava Pianta, Mitchell Snell, Bonnie Webley-Hurrell, Ruby Membry, Lili Ylioff, Darcey Craig, Precious Lundberg and Siennie du Toit (Certificates of Excellence).

The school is very proud of your wonderful achievements!

School Board
I would like to announce that all the School Board positions have been filled. I would like to thank Mrs Nicole Whatman, Mrs Renae Adams, Mr Donald Msapenda, Mr William Green and Mrs Bianca Prosser for offering their time and service to the school.

Head Student Speeches
A different process to select our Head Students for 2016 is being undertaken this year. All students wanting to undertake these positions were asked to write a letter expressing their interest and outlining reasons why they would be the best candidate. Eight students (4 girls & 4 boys) will then be shortlisted and given an opportunity to give a short speech to other students. Based on these speeches students and staff will vote to select our Head Students for 2016. Following this process our four Student Leaders will be announced at the end of year concert. Congratulations to all the students who made the effort to participate in this process.

Transition
Our Year 6 students participated in a transition day to Manjimup SHS earlier this week. Lots of different experiences were enjoyed by the students and there is now a lot of excitement about 2016. An opportunity for parents of our Year 6 students to visit MSHS will take place next week.

Road Safety
Could I please ask all parents of students who walk, cycle or ride scooter to school to please talk with their children about road safety. A number of parents have reported dangerous behaviour of students travelling to and from school. Of particular concern is children walking on the edge of the road instead of the footpath and riding in the middle of the road on bikes and scooters.

Reports
Reports will be completed over the next few weeks and should be ready for distribution on Tuesday Week 10. Information about how to interpret report information will be provided in the final newsletter, but can also be found on the reverse side of the front page of the report.

Class Placements
Final class lists will be posted on Monday 14th December outside the Deputy Principals’ office at 2.30pm.

Reminders:
- Web Site – Please take a moment to have a look through the website the school has. We are getting close to having our new look site online, where all the latest news will be fewer clicks away! The address is: http://www.eastmanjimup.wa.edu.au

Have a wonderful week.

Jeremy Hadlow
Principal
